FRONT RENDERING

ZURICH
HOMES
exceptional by design

Characteristic of the French Country style, the towering yet graceful roof lines of the Bordeaux command the eyes attention, while the intricate stone-detailed entry evokes feelings of old-world craftsmanship. Arched 8-foot mahogany entry doors lead to a spacious central living area that has been designed with flow and entertaining in mind. In addition to the two rear-facing suites, a designer Office is located off the Entry. An oversized Garage, Laundry/Mudroom and Pantry are just a few of the features that speak to the quality of this home's design.
